PROGRAM

Under the **high patronage of Mr. Emmanuel Macron, President of the French Republic** and the support of the Ministry of Economy, Finance and the Recovery, as well as the Ministry of Europe and Foreign Affairs, the 2019 edition of Ambition Africa gathered more than **1 250 French and African participants** representing up to **39 African countries**.

On **October 5th and 6th, 2021**, take part in the third edition of this forum, which has become the regarded annual event for Franco-African economic and trade relations, which will take place in the presence of **ministers, ambassadors, influential speakers** and **business delegations** from all over the African continent.

Ambition Africa 2021 will take place over two days and is centered on:

- A plenary session attended by French and African officials
- Sectorial and transversal thematic workshops
- Personalized B2B meetings between French and African companies
- Community of experts
- Networking cocktails
